

SIMHAM (Leo)

Makha, Poorvaphalguni, Uttaraphalguni (1)

Career :

Exciting career opportunities awaits, in regards to promotion with fringe benefits for professionals. The New Moon on 10th marks a plum time to make the idea of a new business-line official. Cross-cultural collaborations or joint ventures will open new doors to untapped markets and resources. Job-seekers will enter new networking circles and secure an admirable job. For Freelancers, an independent venture will reach to a major milestone. Your strong negotiating powers will come in handy to officialize a lucrative collaboration. For entrepreneurs, their dream venture will be actualised into profits. Rise in status will open great career opportunities for those in Marketing. After 15th, double check the facts and figures, before forging ahead with an expensive launch. Be careful, as your best attempts to negotiate and work well with seniors will be foiled by misunderstandings. Be wary, and review your circle of trust, to uncover any treacherous dealing of a business partner. Keep your ideas to yourself, to avoid getting sabotaged by a deceitful colleague.

Wealth :

Any pending Court matter will go in your favour. Expect some unexpected monetary gains to flow into your savings. Around the New Moon on 10th, monetary gains from foreign fiscal schemes are imminent. After 15th, lending Money will add on to your financial strain later. Be prepared for some unforeseen expenses this month. Wait for bankable evidence, before entering any speculations. After 26th , step away from market share investments, to avoid financial instability. Avoid signing up for loans, to make some quick cash.

Personal :

Let your "outer circle" wait! This month, the cosmos will help set things right with any close relationship that has gotten a bit out of balance. Around the New Moon on 10th, singles will attract someone with an impressive life credentials into their radar. Women need to be careful not to project their frustrations on the people closest to them. After 15th , being polite about articulating what they want will restore love and harmony back in the relationship of couples. Students will reach their set goals faster by keeping distractions at bay. This month, say 'yes' to those events and trip-invites to taste a refreshing travel lifestyle.

Health :

Consistency and discipline will set you free! This month marks an apt time to put a jump start on those wellness programs and routine check-ups. Pay close attention towards your partner's health. After 14th, those suffering from any chest or eye related issues need to be extra careful. Make sure to keep your fridge full of healthy eateries, so that your blood, sugar levels and appetite remains stable.
