

# KUMBHA (Aquarius)

Dhanishta (3,4), Satabisha, Poorvabhadra (1,2,3)

**Career:** This month, as you step into power, a good deal of responsibility will follow along with it. Building new connections will increase the effectiveness and influence of marketing professionals in existing markets. A lucrative deal will amplify the paygrade of Freelancers. Big ideas will take shape in a profitable way for Entrepreneurs. Be wary, as chasing a shiny opportunity may cause you to lose out an advantageous position in a partnership or a collaboration. After 17th, flaws in the foundation will bring a new launch into a complete halt. Lack of decisive action will cause Job-seekers to miss a promising employment offer. Artists working on a creative venture will struggle to gain traction on a big idea. Speak your truth with tact, to avoid locking horns with seniors. After 19th, stars will bring in assured triumph and victory against rivals. A calculated risk on a venture will yield profits on a large scale for entrepreneurs. Be wary as co-workers will take the seat of rivals creating strong oppositions on a key presentation at workplace.

**Wealth:** Stick to the facts! This month, keep your intentions crystal clear, to avoid squandering of finances. A dip in earnings from past investment schemes will slow down your financial growth. Acting on an impulse or belief, while extending credit, will result in wealth loss. However, government backed investment schemes will open up new money-making opportunities for you. After 12th, avoid taking loans, as repayment will leave you feeling stressed and overburdened. Expected profits from market shares will end in disappointment. After 16th, unexpected expenses will arrive, making you cut back on some of the luxuries. Think twice, before signing off heavy investment on a Real estate deal. After 19th, victory is assured for those awaiting verdict in court matters.

**Personal:** Stay busy to avoid getting mired in negativity! Women will be busy, making-arrangements for an auspicious ceremony at home. Initiating the travel plans to a pilgrimage will be the highlights of the month. After 12th, bills and finances could be a heated topic for couples. Slow down, before giving into momentary temper or firing ultimatums, when dealing with tricky topics with loved ones. Slow down, instead of rushing into commitment with a 'too good to be true' love-offer. After 17th, steer clear of topics that can trigger conflicts or arguments with father.

**Health:** Pay attention! Blood related ailments or indigestion might increase. Be wary, as pushing past your limits, while meeting your fitness goals in haste will lead to small accidents. Health of children will need your attention. After 16th, regular morning walks will help to keep spine, knee or hips issues from escalating.

**Dhanishta(3,4):** You and a friend will be discussing a joint venture.

**Satabisha:** You are going to be grateful for a small gift or sum of money from a friend.

**Poorvabhadra(1,2,3):** You may be more courageous and forthcoming than usual, and will be willing to wear your heart on your sleeve in romantic matters.

**Vedic remedies:** Chant Japa mala of Moon's moola mantra for meditation: "Om shram sreem shraum sah chandraya namah", 10000 times in 40 days. Donate Saffron or Turmeric or Sugar on Thursday. Worship Goddess Durga every day. Light ghee lamps during Rahu Kalam on Tuesdays.

**Lal-kitab Remedies:** On the Amavasya night, light 9 lamps near the banks of a holy river. Use pure ghee prepared from cow's milk to light the lamps. Take bath in holy river.
