

SIMHA (Leo)

Makha, Poorvaphalguni, Uttaraphalguni (1)

Career: This month, if you are planning to take a leap of faith, then the time is prime to roll the dice. Keeping the focus and strategy in place, will help bring a new launch to its successful completion. Marketing professionals planning in expanding their service reach will hit some ambitious benchmarks. However, focusing on negotiating a solution will help in deflecting argument from rising with co-workers. Your strong negotiating powers will come in handy to officialize a lucrative collaboration. For Entrepreneurs their dream venture will be actualised into profits. Job-seekers will enter new networking circles and secure an admirable job. After 16th, exciting career opportunities are likely in regards to promotion with fringe benefits. Freelancers with their proactive steps will help them outrun a stubborn rival to the ground. After 17th, be mindful as slight discrepancy in work performance will invite criticism from seniors.

Wealth: Real estate investments will bring in profitable gains. With the help of siblings new fiscal growth opportunities will crop up. After 12th, opportunities for new revenue streams are expected to arise through passive income streams. Share market and mutual funds will bring in substantial returns. After 17th, slow down and take stock of the situation, before officiating any loan agreements. Investing your money in stocks or mutual funds will bring in disappointment. After 19th, keep rainy day funds ready, as expenses will increase. Halt all plans of reselling or liquidating any assets for now.

Personal: Feelings are flowing! This October, engaging in meaningful talks will help restore stability and cooperation back with loved ones. Women will spark up their social circles by sprinkling fun and warmth. Couples will strengthen their bond and move into a more permanent arrangement like merging finances, introducing families or discussing marriage. Singles will be extra selective and will magnetise promising prospects. After 16th, you will be in your happy place as you finally realize your travel goal to the most awaited destination. Hard work and dedication of students will bring them a satisfactory rank in their examinations.

Health: Feeling lack luster! This month, stress levels will shoot up that will leave you feeling exhausted and irritable. Those susceptible to eye issues or migraines need to be extra careful. After 16th, expect quick recovery for those troubled with recurring ailments.

Makha : Some of you will hear news of illness befalling another.

Poorvaphalguni : A friend will offer a small solution to a major problem.

Uttaraphalguni (1) : All your problems will come to an end, if you accept the offer that will soon be made.

Vedic Remedies : Visit a religious place daily. Offer water in a Copper vessel to Lord Sun every morning, during Sunrise. Donate rice and milk at temples.
